# ABOUT US

## Complete Electrical Solutions from Concept to Completion

Cluster Electricals is a Class-1 electrical contracting company based in Bengaluru, providing complete electrical solutions for residential, commercial, industrial and software facilities.

With expertise in H.T. and L.T. electrical installations, power distribution, electrification and electrical maintenance, we undertake projects from planning and installation through to testing, completion and ongoing support.

Our approach combines technical expertise, quality workmanship, safety and customer-focused execution to deliver dependable electrical infrastructure for every project.

## OUR COMMITMENT

**QUALITY**

We focus on quality-driven execution and continual improvement in technology, processes and competency.

**SAFETY**

Safety is an integral part of our project execution, from planning through completion.

**PROFESSIONALISM**

We believe in disciplined project execution, technical competence and professional service.

# OUR GOALS

## Vision

Our vision is to be a trusted and respected electrical contracting company, recognised for quality workmanship, professional service and dependable solutions. We aim to build lasting relationships with our customers while continuously raising our standards through innovation, expertise &commitment.

## Mission

Our mission is to deliver quality electrical solutions through professional service, skilled workmanship and strong safety standards. We continuously improve our technology, capabilities and processes while building lasting customer relationships through integrity, teamwork and commitment.

cluster ELECTRICALS

# OUR SERVICES

**H.T. & L.T. ELECTRICAL INSTALLATIONS**
Electrical infrastructure for high-tension and low-tension applications, including distribution and connected systems.

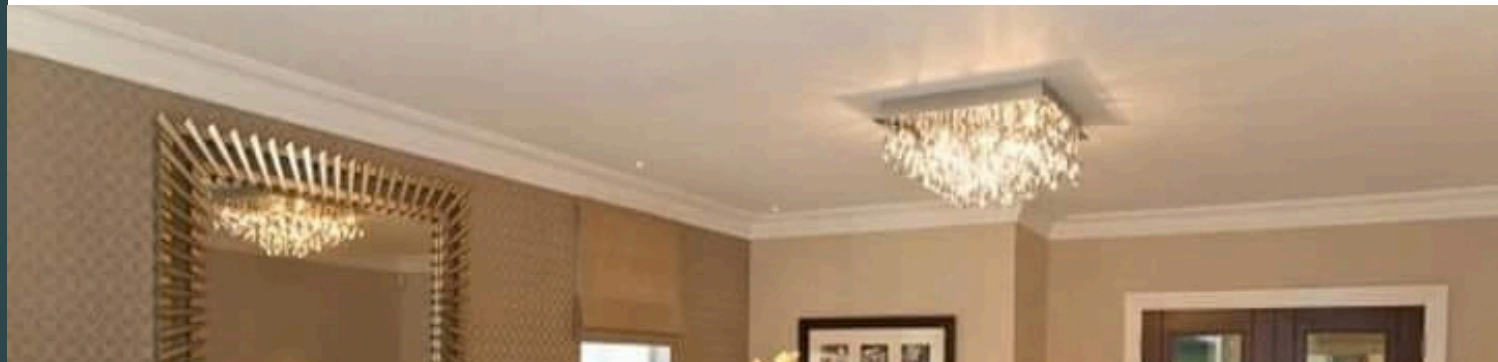

**POWER DISTRIBUTION**
Distribution panels, sub-distribution systems, power wiring, cable trays, raceways, conduits and associated electrical works.

**INDUSTRIAL & COMMERCIAL ELECTRIFICATION**
Complete electrical solutions for industrial facilities, commercial establishments, offices and software facilities.

**RESIDENTIAL ELECTRIFICATION**
Electrical installations for residential developments, including power, lighting, wiring and associated systems.

**INTERIOR & EXTERIOR ELECTRIFICATION**
Complete internal and external electrical infrastructure, including lighting and utility requirements.

**ELECTRICAL MAINTENANCE**
Troubleshooting, repairs, upgrades and maintenance of existing electrical systems.

# CLIENTS WHO TRUST US

Our experience is built on strong and lasting relationships with clients across diverse sectors. We are proud to have contributed to their projects through reliable electrical solutions, quality workmanship and professional execution.

**Their trust continues to inspire us to raise our standards with every project.**

# PROJECTS

Our projects reflect our expertise, quality workmanship and commitment. Each project is delivered with careful planning, safety and professional execution.
